The music will be furnished by the full solo complement of the Seventh Regiment Band of New York.

## HIGH SCHOOL NOTES.

**Boys' Basketball.**  
The first of the boys' interclass basketball games at Newark High School, which was scheduled for last Friday, was played Wednesday in the new gymnasium on Ridge street. The Senior B boys put up a fast game with the 2A's, and after an extra period of five minutes won out by the close score of 14 to 12. The State street annex five showed great form when they trimmed the last Junior A team of the main building by a score of 20 to 16.

The games serve as an aid in developing material for the varsity squad. Almost the whole of this year's varsity team was developed by last year's interclass games.  
The games are in charge of Coach Johnson, of the faculty, and Manager Nelson Perry. Meetings were held by the classes on Monday, and managers and captains for their various teams were selected.  
The graduating class has decided not to compete this year, as they graduate in February, and the schedule carries the games over into April. The question was again brought up as to whether varsity players should be allowed to play on class teams. It was decided to put the matter up to Physical Director Broadhead, and he decided to let the varsity men play. The schedule calls for games to be played every Wednesday and Friday except during the last two weeks in January, when no games will be played owing to examinations.

**Delta Pi Dance.**  
The seventh annual dance of the Delta Pi Fraternity of Newark High School was held at Orator Hall last Wednesday evening. It was strictly formal and seventy-four couples attended. Gustave Whitehead, the president of the fraternity, led the dancing. Refreshments were served, and Doctor's orchestra had charge of the musical program. The dance orders gave much satisfaction. They were of white kid with the insignia of the fraternity on the cover and were arranged for twenty dances.

The patronesses were Mr. and Mrs. Gustave Whitehead, Mr. and Mrs. Mortimer Meyer, Mr. and Mrs. Howard Issuwood and Mr. and Mrs. Conklin.  
At the semi-monthly meeting of the fraternity last night it was decided to hold the annual banquet at Achel-Stetter's in March.

**Chess and Checker Club.**  
The regular meeting of the chess and checker club was held Tuesday. President Wilson was in the chair and said that the postponed checker match with Summit would be played off at the local library next week.  
In the local chess tournament David Abeles is leading. He has yet to meet defeat. Herbert Richland, the runner-up, plays Abeles Friday, and a fine match is looked for.

In the checker tournament Abeles, Gross and Lauderbach are tied for the lead. All three have finished their schedules and have agreed to play off the tie next Friday. Mr. Milwitsky of the faculty has consented to referee the game. The treasurer of the club reported that all the members had paid up their dues and he had \$70 on hand. The money will be used to buy medals.

**Indoor Track Team.**  
The indoor track team of the local school has at last managed to obtain the first regiment armory for practice on Wednesdays and Fridays. Coach Anderson had most of the candidates up on those days last week and put them through the regular system of practice that he has devised for them. The practice was a light one, consisting of short dashes and concluding with a sharp 500-yard sprint. Some of the boys who ran on the cross-country team found it hard to get back into a springing stride and also hard to make the turn. Brown and D'Angola, of the turn, which is expected this year, are in great form and are making better time than they ever did. Those who showed up for practice were: Captain Terhune, D'Angola, Brown, Graner, Cahill, Lang and Gardner. Royal Brown, who is expected to break the 200-yard record this year, will be out next week.

**Bowling and Basketball.**  
The bowling team will bowl the deciding match of the series with the Seton Hall five this afternoon on the Europa alley in East Orange. As each team has won one series the games will be closely contested. Both Captain Lauderbach and Captain Byrne are confident of victory. What will probably be the most interesting interclass basketball series of the season will be the Newark High School-Benevolent League game, which starts Friday afternoon on the Newark High court. Both teams are in excellent condition for the first game, and the Saints are slight favorites. The Benedict boys are given the odds because they make a specialty of basketball at the High street institution and have been on the court since October. On the other hand, while the boys have only been out a month interest runs high, and they are confident of victory. Coach Broadhead has received the new blue and white uniforms, and the boys will wear them for the first time today. The Newark team will probably line up as follows: Reimer and Maxwell, forwards; Mills, centre, and A. Chandler, W. Chandler or Board, guards. There are several other good players, however, and the team may be changed before the game.

## LOCAL CAMP TO DINE SPANISH WAR VETERANS

An attractive program, including an invocation by the chaplain, a salutation by a past master, and orchestral selections, will comprise a few of the features. Kane Lodge has closed one of the best years in its long history.

**Apex Lodge, K. of P., Ball.**  
The annual reception and ball of Apex Lodge, Knights of Pythias, will be held in Orator Hall, Broad street, on Friday evening, January 27.
